TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MARCH 2024

The trustees present their annual report and financial statements for the year ended 31 March 2024.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's governing document, the Charities Accounts (Scotland) Regulations 2006 (as amended) and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)"

Objectives and activities

The charity's purpose is the advancement of health, through:

- improvement in the physical and mental health of the Board's population
- · the prevention, diagnosis and treatment of illness
- the provision of services and facilities in connection to the above
- the research into any matters relating to the causation, prevention, diagnosis or treatment of illness, or into such other matters relating to the health service as the Trustees see fit
- · the provision of education and development.

Donations and legacies bestowed upon the charity shall only be used for the purposes prescribed by the donor, so far as reasonably practicable, and so long as those purposes are consistent with the charity's purposes and the law. Donations, expenditure and activities must satisfy the public benefit test applicable for a charity.

Achievements and performance

Supporting community groups remains a key priority for the trustees with the fund remaining open for applications from these groups throughout the year, 2 bids have been approved from Clan Cancer Support and Scottish Ballet. With both projects submitting bids that aligned with the charity's own objectives.

A significant bid was approved during the year for a 2-year project to support the wellbeing of Orkney Health Board staff, the key elements of this bid were a 2-year post for a wellbeing officer, wellbeing events, Employee support programme and long service recognition. The project will provide additional support and resources to all Orkney Health Board staff as well as promoting wellbeing, the trustees felt that it was important to support this initiative as ultimately staff that are well looked after and happy are going to provide the best service possible to patients and their families.

Other bids that have been approved throughout the year include: a new electronic doppler for the community nursing team, Patient sitting scales & Raizer chairs for Inpatient 1 & 2 and a fistula scanner for the renal unit. All of these bids have helped to enhance and improve the patient experience within these departments.

Financial review

Income for the year totalled £35,651, a decrease from £43,480 in the prior year.

Expenditure for the year totalled £77,854, an decrease from £104,892 in the prior year. There was some higher value equipment purchases in the prior year which have not been repeated this year.

Net expenditure for the year is £42,203, with gains on investments of £102,979. The fund closed the year with the balance of £1,049,804, a increase on 2022/23 of £60,776.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level that will secure an annual income stream to ensure the stability of the fund. The charity's main funding is from investment income, and donations and legacies.

The trustees employ a firm of investment advisors and managers. The investment of capital generates a significant part of the annual income. The fund is invested with the objective of ensuring that the total return of capital growth and income is maximised, with low to medium levels of risk.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

The volatility of the stock market remains one of the principle risks to the charity and its ability to continue to meet its objectives. The charter addresses this risk and sets out the following guidance in the investment strategy:

- Investments must not carry a high risk.
- Overseas equities should not exceed 50% of the total portfolio.
- No initial investment should exceed 10% of the total value of funds under management.
- The market value of managed funds shall not exceed 95% of the total fund's reserves.
- Both capital and income may be used at any time for the furtherance of the charity's aims.

In addition, the charity does not invest in companies whose principal business is, or who have an interest in, directly health damaging products, or whose principal business conflicts with the interests of the NHS business.

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

The charity was constituted by an act of parliament.

The trustees who served during the year and up to the date of signature of the financial statements were:

Meghan McEwen David Campbell

Kirsty Cole (Appointed 1 April 2024)

Des Creasey

Michael Dickson (Resigned 9 April 2024)

Anna Lamont (Appointed 22 January 2024)

Ryan McLaughlin

Laura Skaife-Knight (Appointed 3 April 2023)

Jean Stevenson (Appointed 1 December 2023)

Jason Taylor Samantha Thomas Louise Wilson

The members of the Board of NHS Orkney are the trustees of the charity. Three of the non executive trustees are nominated via their roles in Orkney Islands Council, the Area Clinical Forum and Area Partnership Forum, respectively, with other non executives being appointed through a public appointments process by the Scottish Ministers. Positions on the board are advertised nationally, to ensure the board contains a balance of expertise, vision and direction at a strategic level.

It is endeavoured to ensure all new trustees are fully inducted into the charity's processes, having access to relevant documents such as the constitutional arrangement and policies and the most recent financial statements. An explanation is also provided of the obligations of the trustees, and the charity's administrative procedures and future plans and objectives.

The trustees meet not less than twice a year and are responsible for the strategic direction and policy of the charity. The board of trustees has sixteen members from a variety of professional backgrounds relevant to the work of the charity. In addition, a sub-committee meets up to four times per year to consider any funding requests and monitor the endowment fund activities. The sub-committee has five trustee members and invites up to nine representatives from NHS Orkney and the wider public.

The trustees work in partnership with NHS Orkney to achieve the charity's objective.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

Disclosure of information to auditor

Each of the trustees has confirmed that there is no information of which they are aware which is relevant to the audit, but of which the auditor is unaware. They have further confirmed that they have taken appropriate steps to identify such relevant information and to establish that the auditor is aware of such information.

The Trustees' report was approved by the Board of Trustees.

Meghan McEwen

Trustee

Dated: 27/06/2024

STATEMENT OF TRUSTEES' RESPONSIBILITIES FOR THE YEAR ENDED 31 MARCH 2024

The trustees are responsible for preparing the Trustees' Report and the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in Scotland requires the trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year.

In preparing these accounts, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the accounts comply with the Charities and Trustees Investment (Scotland) Act 2005, the Charity (Accounts and Reports) Regulations 2006 (as amended) and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT

TO THE TRUSTEES OF ORKNEY HEALTH BOARD ENDOWMENT FUNDS

Opinion

We have audited the financial statements of Orkney Health Board Endowment Funds (the 'charity') for the year ended 31 March 2024 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

In our opinion, the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2024 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the accounts section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the accounts in the UK, including the FRC's Ethical Standard, and the provisions available for small entities, in the circumstances set out in note 20 to the accounts, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE TRUSTEES OF ORKNEY HEALTH BOARD ENDOWMENT FUNDS

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities Accounts (Scotland) Regulations 2006 (as amended) require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the Trustees' report; or
- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

The charity must comply with the terms of its charter, which stipulates that bids for expenditure must not be used as a substitute for core provision within any body's financial plans, nor should any bid for expenditure be awarded posthumously. Our audit procedures considered those restrictions on expenditure, which included obtaining minutes of board meetings where trustees considered those bids.

The charity regularly receives donations and grants, some of which may have restrictions placed on their use. This presents a risk of fraud associated with revenue recognition, and inappropriate use of the funds by not complying with the restrictions on their use. We obtained grant documentation and other correspondence for all grants and a sample of (including all material) donations, vouching receipts to bank statements and checking any conditions attached to those funds are appropriately recorded in the financial statements. We undertook sample testing of expenditure to assess whether funds were spent appropriately.

A further description of our responsibilities is available on the Financial Reporting Council's website at: https://www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and regulation 10 of the Charities Accounts (Scotland) Regulations 2006. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2024

1 Accounting policies

Charity information

Orkney Health Board Endowment Funds is a charity constituted by an act of parliament.

1.1 Accounting convention

These accounts have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102"), "Accounting and Reporting by Charities" the Statement of Recommended Practice for charities applying FRS 102 and UK Generally Accepted Accounting Practice as it applies from 1 January 2019. The charity is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared under the historical cost convention, modified to include certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Designated funds comprise funds which have been set aside at the discretion of the trustees for specific purposes. The purposes and uses of the designated funds are set out in the notes to the accounts.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the accounts.

1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless there are performance conditions present which require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid is recognised at the time of the donation. Donated services are recognised once the services have been performed at the estimated value to the charity.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

1.5 Resources expended

Expenditure is included in resources expended on an accruals basis, inclusive of any VAT which cannot be recovered.

Costs of generating funds comprise the costs associated with the generation of investment income.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

1 Accounting policies

(Continued)

Charitable expenditure comprises those costs incurred in the delivery of the charity's activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them, such as governance costs. Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity

1.6 Cash and cash equivalents

Cash and cash equivalents includes cash in hand, deposits held at call with banks, and other short-term liquid investments with original maturities of three months or less.

1.7 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Impairment of financial assets

Financial assets, other than those held at fair value through income and expenditure, are assessed for indicators of impairment at each reporting date. Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows have been affected.

If an asset is impaired, the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in net income/(expenditure) for the year.

If there is a decrease in the impairment loss arising from an event occurring after the impairment was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been, had the impairment not previously been recognised. The impairment reversal is recognised in net income/(expenditure) for the year.

Basic financial liabilities

Basic financial liabilities, including creditors are initially recognised at transaction price. Financial liabilities classified as payable within one year are not amortised.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

Commitments

A budget of £50,000 is available each year for requests which must be approved by the Trustees or subcommittee. At the balance sheet date, the charity has approved expenditure totalling £7,270, contingent on the satisfaction of certain conditions being met by the funding applicants. It is expected these conditions will be satisfied in 2024/25. A further £88,819 has been committed to over the next two years to cover a Wellbeing bid.

7 Trustees

None of the trustees (or any persons connected with them) received any remuneration or benefits from the charity during the year.

8 Employees

The average monthly number of employees during the year was:

15 Restricted funds (Continued)

Departmental funding - represents donations and funding received over a number of years to be spent as the charity wishes within the department chosen by the donor. This includes MacMillan, Acute Ward, Renal Services, Heilendi Family Practice, and Maternity.

Motor Neurone Disease - represents donations received over a period of years to be spent on Motor Neurone Disease.

Staff, volunteer and patient wellbeing - funding provided by NHS Charities Together in response to the coronavirus pandemic, which is to be used to enhance the wellbeing of staff, volunteers and patients impacted by coronavirus.

NHSO Fundraising Group - funds donated to support the NHSO Fundraising Group.

Hospital Adventures - funds donated to assist with demystifying hospitals for children and families.

Transfers during the year include £7,525 transferred to Renal Services, Inpatients, and Community Nursing East funds from unrestricted funds, for expenditure paid from general funds.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

16 Control

The ultimate controlling party is the board of trustees of Orkney Health Board. It is solely for the Trustees to determine how the charity is to be administered, and what expenditure is permitted, providing that all decisions are consistent with the Endowment Fund Charter. The Trustees shall discharge their responsibilities free from any external direction.
